## Workforce Roundtable This Thursday

### WEA Workforce Roundtable Are We Meeting the Moment?

Be part of an engaging discussion on regional workforce projections in our occasional roundtable series. We'll dive into key topics, including training programs, industry connections, workforce development, public sector investments, and system gaps.

Building a vibrant regional and state economy requires smart, systemic workforce investments—let's explore how we can move forward together.

Seating for this event is limited.  
Please contact [Danielle Siver](#) for sponsorship opportunities.

## 2025 Mayors Forum

Meet the Westside Mayors for an evening reception...

For this year's Mayors Forum, **on June 12**, WEA is updating our programming with an evening reception hosted before and after the program to give attendees an even greater opportunity to meet, greet and network with the Mayors ... and one another. Here more about their work on key issues facing the region including Economic Development, Land Capacity, Housing Production and Affordability and more.

Reach out to [Dani](#) about sponsorship opportunities.
